We've had some great fan support and following throughout this whole project, from supporters to detractors to lampooners.Â Yes, I justÂ made that word up...but really, when do you get a legitimate chance to say "pooner?"

Some folks have put together a commercial for the Mantool concept.Â It is, if I may say, brilliant.Â We've uploaded it to our YouTube archive, and you can watch it here:

Â Perhaps I should have expected this.

Brilliant.
